

EVERY CHRISTIAN NEEDS A WEALTH and FINANCIAL PLAN

WHAT WE DO

We develop personal long-term financial plans from private and in-depth consultations with the church families we serve. The plans feature no-risk wealth building strategies, debt reduction and elimination plans, long term health care resources, retirement and savings plans. As Certified Financial Planners, Registered Financial Consultants and Certified Estate Planners, we work only for the pastors, families, associations and churches we serve, not for any particular financial, investment or insurance institution. There is no charge for our services whatsoever, so we are completely free to provide the best unbiased solutions for those we help.

HOW WE DO IT

We primarily work with Associations, Pastors and Churches using an initial workshop training session. CCBA Asset Preservation Ministries provides all materials and programming at no cost to the host church or association. The workshop setting educates members about our desire to help them excel in their stewardship and plan for their future. Individual confidential meetings are set up with each family and the process continues until the best wealth and estate plan possible for their situation is accomplished.

WHY WE DO IT

The answer is to glorify God by helping His people. This is our place in His ministry world. It is also to help real people solve real issues and see them grow in their support of God's work to reach the world with His love.

WHO ARE WE

CCBA's Asset Preservation Ministries is a non-profit ministry of the Central Coast Baptist Association.

Our financial choices reveal our concerns, interests, challenges and priorities. Jesus said that where your treasure is, there is your heart also. We will help you solve your financial issues of today and plan for the future based on values that honor God and His Word.

WHAT WE DON'T DO

- We don't charge for anything we do.
- We don't recommend you put your money at risk.
- We don't insist you follow our recommendations; we help you make YOUR decisions.
- We don't use a One Plan Fits All industry standard.
- Your situation is unique and God's plan for you is unique.

WHAT NOW?

To set up a workshop for your church or request personal help contact CCBA's Asset Preservation Ministries or the Central Coast Baptist Association, or visit us on the Web.

Our Way of Giving Back

Christians know that it's better to give.

Cheerfully, God's people find many ways to support Kingdom causes. Some teach Bible classes, others sing in the choir, work with youth groups or serve on church committees. Some are fulltime pastors or missionaries.

Each of us has special talents. God has provided us many ways to serve.

Your work with Asset Preservation Ministries is also a service.

APM is made up of Certified Estate Planners, Registered Financial Consultants, Certified Financial Planners and Certified Public Accountants who have been called and found a special way to advance the Kingdom.

We're supported by a fully-funded non-profit foundation trust account that pays our expenses and takes care of our basic needs. Thanks to APM, we're able to give our time and our expertise to help fellow Christians make the most of their finances...and we're motivated by Christian love, not asking you for money or part of your assets to help.

To help us find the best solutions for you and your family, we work with about 40 companies which offer investment and financial services. While our clients never pay a penny for our services, many of these institutions and companies pay us for doing their work when we utilize their services. Any compensation we receive from them is cycled back and donated to missions, ministries, church associations, Christians in crisis and churches with specific needs.

So, if APM has helped you with a Wealth Plan, you've helped various Kingdom causes.

Thanks to you, APM has been able to support foreign missions and God has allowed us to bless souls in Mexico, Brazil, Russia, China and helping build a Christian school in Guatemala. We've also provided financial aid to many Kingdom causes in the USA, including helping Katrina victims rebuild, sponsoring new church starts, aiding a battered women's shelter in East Texas and so many more.

APM ministers are doubly blessed. First, we have the pleasure of helping Christians like you make the most of your financial situation. Second, we're able to partner with you to promote many Kingdom causes.

Please continue to pray for us as we do our best to serve fellow Christians and further the Great Commission. May you always keep God's promise in Jeremiah 29:11 in your hearts.

Missions and Ministries Supported by APM

- Guatemala Mission Trips (FBC Morgan Hill)
